Chester to partner with Microsoft, IBM, SAP and HP

CHESTER is now authorised partner for Microsoft, IBM, SAP and HP and are central India's biggest IT training and placement company having 9 fully operational centres. They are the only IT training and placement company to have independent software development and placement cell. Chester has a unique on-line feedback system that empowers students to give feedback, complaints, queries or advice to the Directors. They have best of faculties sourced from Nagpur, Pune, Mumbai, Bangalore and Hyderabad to teach practical curriculum required in IT industry. They teach

varied courses in IT, ERP, Finance and BPO. All these courses cost less but have a high content, with centres placed strategically with in easy reach.

Throwing light on the prevailing recession, Bhushan Kriplani MD of Chester said that in this era of recession companies are cutting their cost by shading untrained and low quality manpower in Information Technology.

Adding to the woes is Merill Lynch survey, which indicates that only 7 per cent of the students from Indian universities are employable and that too from IIT's and IIM's. In such as scenario the best solutions is creating a manpower that is equipped with theoretical as well as real time knowledge. Project Experience Certification is the revolutionary idea conceptualised by Chester which empower freshers as well as professionals with latest technologies, and also ensure employers trained manpower.

Details can be had from Chester students can contact centres at Bajaj Nagar, Dharampath, Surendra Nagar, Sadar and Telephone Exchange Square.
